Key Columns in Report

Summary	Column F provides time to adoption rate for reporting period by site, county (ALL) and statewide; rate calculated by adding percentage totals for 0-12 Month and 13-24 Month rows
Case-Level Detail	Column AY provides the Time to Adoption time range for each child

Other Comments/Considerations

- Report includes only cases where the child has a “Date Order Entered” documented in his/her Legal Status window where the result for the status is “Adoption Finalized” and the Adoption Referral window denotes that the child was placed by “Private Agency Under Contract with DHFS.”
- The calculation for the National Standard (above) is established using available data from all states and is based on data reflecting a one-year period of activity.
